

Full Name: Luiz Augusto Carneiro

Designation: CEO, IESS (Instituto de Estudos de Saúde Suplementar)

Luiz Augusto Carneiro is the CEO of the IESS (Instituto de Estudos de Saúde Suplementar), a well-known private think tank in the Brazilian health insurance industry.

He is an economist and actuary, fellow to the Brazilian Institute of Actuaries, and affiliate member of the Actuaries Institute of Australia. He got his PhD degree in Actuarial Studies at the University of New South Wales (UNSW), Sydney, in 2006 and then returned to Brazil, where he has also worked in actuarial consulting as an appointed actuary and as assistant professor at the University of Sao Paulo.

His more recent education includes executive courses at Harvard T.H. Chan School of Public Health.
