

Full Name: Paul Huelskamp

Designation: Vice President of Sales, Press Ganey

Paul Huelskamp currently leads Press Ganey's government, international and emerging markets business development efforts.

He joined Press Ganey in 2009 as the next step in a career that has seen him serve as the president of two companies delivering healthcare services to the U.S. Department of Defense (DoD), Veterans Administration (VA) and other government agencies.

He has also served as the vice president of government affairs for two firms that delivered healthcare measurement and improvement services to government agencies and large commercial healthcare systems.

Paul earned a Bachelor of Science in health care management and began his career in the Air Force holding a variety of patient administration positions before ending his career as the administrator of the Air Force Surgeon General's Clinical Quality Management Division.
