

Full Name: Roly Buys

Designation: Consultant, Mediclinic Southern Africa

Until recently, Roly (B Compt (Hons)) was the Strategy and Funder Relations Executive for Mediclinic Southern Africa, a role which included continuous engagement with local and international Health Policy research.

Roly has over 30 years' experience working in the South African private hospital and funding markets; including funder administration executive roles. Over his career, Roly has developed a noteworthy understanding of how the elements of the healthcare continuum require innovation to remain financially viable.
