

Full Name: Valter Adão

Designation: Chief Digital and Innovation Officer, Deloitte Africa

As the Chief Digital and Innovation Officer for Deloitte Africa, Valter Adão leads a team of diverse specialists that create leading digital ecosystems to assist clients and employees understand the Digital Transformation journey, uplift their digital experiences and become digital at the core, in order to thrive in a world of ever changing digital technologies.

By bringing in strategic and innovative thinking and capabilities at the intersect of emerging and exponential technologies and creative design, Valter and his team guide organisations to understand, and embrace emerging exponential and disruptive technologies by helping them move beyond potential disruption towards creating new opportunities for relevance, growth and expansion.

He is a corporate entrepreneur with extensive experience in creating new businesses across a variety of industries. He works with organisations in identifying high value, innovative opportunities, and rapidly commercialising them into viable businesses.

Valter holds an MSc and an MBA. He has been with Deloitte for 9 years. Valter is also a member of Deloitte's Global Innovation Executive Committee.
