

Mande Toubkin

Netcare

Mande Toubkin is a leading South African emergency, trauma and disaster management specialist with more than 30 years of clinical, academic and strategic healthcare experience. She is Netcare's Group Manager for Emergency, Trauma, Disaster Management, Transplant, Corporate Social Investment and Human Milk Banking, leading national programmes in emergency care, trauma systems, disaster preparedness and compassionate healthcare.

A Fellow of the College of Emergency Medicine and the Academy of Nursing of South Africa, Mande holds a Master's degree in Emergency Medicine from Wits University, where she is an Honorary Lecturer. She has played a key role in advancing emergency and trauma care in South Africa, including coordinating Netcare's national COVID-19 response and developing innovative emergency and disaster management programmes.

A respected speaker, educator and author, Mande is committed to building resilient, high-quality healthcare systems that place patients, families and healthcare teams at the heart of care.

BUILDING HEALTH, TOGETHER.
