

Neil Kirby

Neil Kirby is a Director and Head of Healthcare & Life Sciences with 30 years of legal experience, including more than 20 years specialising in healthcare regulatory law. He advises clients across healthcare and life sciences, data privacy, commercial, dispute resolution and environmental law, with particular expertise in healthcare regulation, consumer protection and the protection of personal information.

Neil advises extensively on matters involving medical schemes, professional practice, medicines, medical devices, foodstuffs and National Health Insurance. He is recognised nationally and internationally for his expertise in healthcare and regulatory law and has held several leadership positions within the International Bar Association and the World Association for Medical Law.

Neil holds an LLM from the University of the Witwatersrand and is an admitted attorney. He is also a published author and contributing author to Healthcare in South Africa. His professional recognition includes Chambers Global, Who's Who Legal and The Legal 500, most recently being recognised by Chambers Global in 2026.

BUILDING HEALTH, TOGETHER.
