

Professor Sharon Vasuthevan

University of the Western Cape

Professor Sharon Vasuthevan is a nurse leader, educator, researcher and healthcare consultant specialising in nursing leadership, education, quality and health information systems. She holds a PhD in Nursing and is a Registered Nurse.

She served as Chief Nursing Executive at Life Healthcare Group from 2010 to 2023 and is currently an Adjunct Professor at the University of the Western Cape and Research Associate at Nelson Mandela University, where she supervises Master's and doctoral candidates.

Professor Vasuthevan has presented at national and international conferences and has published widely in nursing journals and textbooks, including Health Information Systems in Nursing (Juta, 2024) and Handbook for Nursing Management (Van Schaik, 2026).

She has held leadership roles in several national and international nursing organisations and currently serves as Vice President of the South African Health Information Association (SAHIA) and Vice President: Scholarship of the Academy of Nursing in South Africa (ANSA). Her current focus is advancing nursing informatics, digitisation and technology-enabled nursing education.

BUILDING HEALTH, TOGETHER.

HASA QUALITY SUMMIT AND CONFERENCE 2026
